In the event that an act of terrorism or natural disaster occurs at your chosen travel destination after your final payment has been made, but before your departure date, Hosted Journeys will perform all possible efforts to minimise your travel disruptions. However in extreme cases, your tour may be altered or cancelled for your safety. Hosted Journeys can not be held responsible should any third party suppliers be unable to offer any refunds due to such causes.

If due to unforeseen circumstances there has been a change in your reservation that results in requiring either a partial or a full refund, Hosted Journeys will work with your Travel Consultant to arrange this.

Refunds will be subject to the terms and conditions of the third party travel providers that Hosted Journeys have booked the travel arrangements with. It is important to note that third party travel providers have restrictive terms and conditions for group travel and can differ from those outlined in their brochure or on their website. Hosted Journeys cannot be held responsible for any travel providers delays in issuing refunds. Some refunds, such as airlines, are known to take at least 3 - 6 months. Similarly, any refund for a cancelled booking can only be paid to you, once the supplier provides the refund to Hosted Journeys.

Hosted Journeys take pride in providing an exclusive travel experience and often take a long time to plan and book the travel arrangements included in your chosen itinerary. Any remuneration earned by Hosted Journeys will remain non-refundable.

Liability & Privacy:

Hosted Journeys acts as a wholesale travel provider within the Helloworld Travel Network. We sell various travel related products on behalf of numerous transportation, accommodation and other wholesale service providers, such as airlines, coach, rail and cruise line operators. Hosted Journeys' obligation is to make travel bookings on your behalf and to arrange relevant contracts between you and the travel service providers. We have no responsibility for these services nor do we make or give any warranty or representation regarding their standard. All bookings are made subject to the terms and conditions and limitations of liability imposed by these service providers groups departments. Your legal recourse is against the specific provider and not Helloworld Travel or Hosted Journeys. If, for any reason, any travel service provider is unable to provide the services for which you have contracted your remedy lies against the provider and not with Hosted Journeys.

It is important that you, and all members of your travelling party are aware of these terms and conditions as they may relate all or in part to the bookings held by Hosted Journeys on your behalf. If you are making bookings on behalf of more than one person, we will be happy to provide you with more than one copy of these terms and conditions if requested.

All reservations have been booked under the terms and conditions laid down by the airlines and tour providers groups departments. It is important to understand that each tour provider has different terms and conditions for group travel and these will differ from the Terms & Conditions for leisure travel.

We do not accept any liability in contract, tort or otherwise for any injury, damage, loss (including consequential loss), delay, additional expense or inconvenience caused directly or indirectly by force majeure or any other event which is beyond our control which is not preventable by reasonable diligence on our part. Medical & Travel Health:

Hosted Journeys seeks to provide a safe, memorable and enjoyable travel experience for all guests and welcomes guests with special needs or disabilities provided they are accompanied by an able-bodied companion and do not require special assistance from Hosted Journeys Tour Host or other travellers. Failure to do so may result in the termination of your travel arrangements without any liability on the part of Hosted Journeys. Hosted Journeys reserves the right at its discretion to exclude from a tour, or to terminate the travel arrangements during the course of the tour without refund, of anyone who: is unable to cope with the requirements of coach travel – this includes embarking and disembarking 4-6 steps that are approximately 30 centimetres high, at each stop of the coach, which, on some tours, is at least 8 times per day, may need services or facilities that are not available, fails to comply with the reasonable instructions of Hosted Journeys Tour Host, engages in illegal or undesirable behaviour or interferes with the enjoyment of or jeopardises the safety of other participants

Anyone so excluded will be required to disembark at a safe public location, transportation from which will be wholly their responsibility. You agree that Hosted Journeys is released from all liability for, and you agree not to hold Hosted Journeys responsible for, termination of your travel arrangements in accordance with the previous condition, or any decision made by Hosted Journeys or by any service provider who refuses to provide you with special accommodation facilities or services that are not available or who refuses to carry you by reason of any disability or medical condition. Any changes to health, mobility and fitness must also be reported to Hosted Journeys as soon as possible and prior to departure.

Complaints:

If you have a complaint please inform your Tour Host or our local representative at the time so they can attempt to rectify the matter whilst travelling. If satisfaction is not reached through these means then any further complaint should be put in writing to us within 30 days of the end of the tour in order to expediate and escalate your complaint.
